

Help a Struggling Club

The Toastmasters International **Club Coach Program** helps struggling clubs become distinguished clubs. The **Club Coach Program** can help a club with 12 or fewer members to become rejuvenated, revitalized, and reinvigorated with energy, enthusiasm, education, and empowerment for club growth and member success.

If **YOU** Are a Toastmaster Member Who

- Believes in the mission of helping members become better communicators AND leaders
- Has been involved for a while and desires a new Toastmasters experience
- Has earned both Competent Communicator (CC) and Competent Leader (CL) awards
- Has served before as Club President or Vice President Education
- Can partner with Club Officers and Area Directors to ensure club is receiving support to grow
- Wants to earn the Distinguished Toastmaster (DTM) award
- Has the mind for servant leadership and the heart for helping others to succeed

Serve as a **Club Coach!**

The Benefits to You

- Develop your team-building skills
- Expand your leadership experience
- Increase your proficiency in facilitation and negotiation skills
- Develop your diplomacy skills
- Share your expertise
- Invest in the future of Toastmasters International
- Earn credit towards your Advanced Leader Silver (ALS) award

The Benefits to Your Club

- Help observe and analyze your club environment with a new perspective
- Help your club set a plan with goals for growth, improvement, and success
- Help build rapport with club leaders, current members, and future members
- Help your club earn five (5) or more Distinguished Club points by June 30, 2019

It is District 103's goal to identify, train, and support **one new club coach** for the 2018-2019 club year **to help each struggling club to become distinguished or better**. The District is ready to partner with you to make this happen.
