

DISTRICT 103's GRAND PRIZE DRAWING (\$1,000 maximum value)

5 T.I. Distinguished Performance Reports will be used to determine the number of tickets each club will earn for the Grand Prize Drawing.

A club will earn one or more tickets for the drawing based upon the **first** report their club is DISTINGUISHED or better. The 5 reports will have the following "As of" dates.

Report 1 will be "As of 1-May-2019"	5 tickets
Report 2 will be "As of 8-May-2019"	4 tickets
Report 3 will be "As of 15-May-2019"	3 tickets
Report 4 will be "As of 22-May-2019"	2 tickets
Report 5 will be "As of 29-May-2019"	1 ticket

There is a TICKET MULTIPLIER that will be applied to the number of tickets a club earns. The ticket multiplier is based upon the total number of club officers trained in BOTH rounds.

Officers Trained	TICKET MULTIPLIER
14	5
12-13	4
10-11	3
8-9	2
0-7	1

The maximum number of tickets any one club can earn for the GRAND PRIZE Drawing is 25.

The drawing will be held at the DEC (District Executive Council) Meeting on June 15.

The total GRAND PRIZE value is determined as follows:

Club President added value	\$100 maximum, \$0 minimum
Club VPE added value	\$100 maximum, \$0 minimum
Club VPM added value	\$100 maximum, \$0 minimum
Club VPPR added value	\$100 maximum, \$0 minimum

Earns an education award for the club <u>by 31-May-2019</u>	\$25

Maximum value added per Club Officer	\$100

If one person holds two or more club officer roles, then the person must earn multiple education awards, if s/he expects to earn the maximum value for each role. Example: If a person holds three club officer roles and has received credit for all three roles in both rounds of training, then that person would need to earn three education awards for the club by **31-May-2019** in order to add the maximum value for all three roles.

NO CASH is awarded from the GRAND PRIZE. District 103 will advise the winning club about their options.

Example 1: The winning club may opt for a banquet dinner up to the maximum value of their prize.

Example 2: The winning club may opt for a catered party, plus shop for needed club items from the T.I. store, up to the maximum value of their prize.
