FTH3 Help Guides for members and administrators

<https://support.toastmastersclubs.org/doc/documentation-index>

Find your club location

<https://www.google.com/maps>

Photo Editors (the editors themselves are safe, but don't download anything prompted in you click on an ad, recommended don't click on the ads as they can contain malware. The photos sites are ad supported which is how they remain free to use).

<http://pixlr.com> **

<https://www.photoshop.com/tools> (Photoshop Express Editor, needs Flash plugin to run)

<http://www.citrify.com/>

<https://www194.lunapic.com/editor/>

<http://fotoflexer.com/>

<https://www.canva.com/> ** (has social media templates for images and banners)

ADA Website Compliance Information

FTH3 is not going to be totally ADA Website Compliant, but best practises are that clubs should try to become as compliant as possible. ADA Website Compliance addresses basic best practices of good website and search engine optimization.
